Current Problem:

I, _____ (the customer) hereby understand that the warranty that was given to me by The Appliance Repair Doctor Inc (The company) is limited and applies only for the part that was replaced or repaired. The warranty will not include any of the other parts in the appliance.

The warranty does not apply in any case of excessive or non-standard usage.
The warranty does not cover clogs of any kind.
The warranty will not be in effect in a case of a wrong usage, and/or any damage that was caused directly or indirectly by the customer.
The warranty will not be in effect if any foreign objects enter the pumps, motors or any other mechanical parts.

When using the warranty service:

It is my understanding that a charge of $80+ HST will be applied if the original diagnostics does not match the initial problem. The service call fee will be waved in case I decide to repair the appliance again.
